YAZARLAR

A series of horizontal grey bars on the right side of the page, serving as a design element. The bars are arranged in a staggered, descending pattern from top to bottom. The top bar is the longest and features a red minus sign icon on its left side. Below it are several shorter bars, each containing a small red dot icon positioned towards the right side. The bars are separated by thin white gaps. At the very bottom of this section, there is a solid red horizontal bar.
